{Verse 1}

Yeah

My time is now

They put me on a shelf

The next thing, I'm missing, blood

I am going to heaven, blood

Jesus came in and died, my nigga

Take a bow, and vibe my nigga

50 mill on my mind my nigga

They Wonder when will they see it my nigga

Now you're 45 right now my nigga

I'm a stunner now, I'm dripping my nigga

Tell a tale, I'm going famous

Fuck that, I'm chasing Jesus

Halftime blood

Now you stay and watch

How I do it blood

Take your time

Move like KakÃ¡, blood

Remember those niggas laughed

The tables already turned, my nigga
