

ericdoa - Novacaine

We fuckin'â€” buggin' out (?)

We boutta' recoup (Give a fuck bruh, yeah)

{Verse}

Hate when you change your mind, girl please don't play with me

There's a lot of recent lies, that shit the same to me (I listen everytime,

I let you tailor me, open another life, you far away from me)

{Chorus}

Pussy feel like navocaine, kiss me in the pouring rain

I can't get enough of you my lust for you flows through my veins

Try to make you go insane, type to make you blow your brain

Girl I'm with you every day (Know this shit gon' stay the same)

{Verse}

My bitch bad but I know she hate the new me (Is it because you just wanna' live life like the movies?)

Living in the past-tense boy you knew me (Drunk in the crib and I'm listeni ng to New Jeans)

Oh baby girl why'd you do me like that (Up all night boy, I can't relax)

Pleased main hoe now you going out sad (Told bro's ass "Better go get back")

Go ahead and take your time (Because this don't feel right)

I've been awake all night (But at least I tried)

Go ahead and take your time (Because this don't feel right)

I've been awake all night

{Instrumental Break}

{Chorus}

Pussy feel like navocaine, kiss me in the pouring rain

I can't get enough of you my lust for you flows through my veins

**Try to make you go insane, type to make you blow your brain
Girl I'm with you every day (Know this shit gon' stay the same)**
