

## **odihu - if only i had someone to listen to my head**

**{Verse**

**I just wanna do what's right**

**But then the thoughts come back at night**

**I can't keep concentrating on the wrong thing**

**I know it's disappointing**

**Just wanna feel free**

**Be the best that I could be**

**Find someone that wants to listen**

**To my head and cry with me**

**Just wanna feel free**

**Be the best that I could be**

**Find someone that wants to listen**

**To my head and cry with me**
