

## **Derek Pope - Running Backwards**

**Diving through the bedrock like me  
Just another headcase like me**

**I can't stop what's bout to happen  
I can't stop running backwards**

**Come and have a good time with me  
Hiding from your monsters**

**I can't stop what's bout to happen  
I can't stop running backwards**

**And I don't know where I'm goin  
But I still know where to go  
Those voices keep on calling  
But I don't pick up my phone**

**Stepping on a tightrope like me  
Don't look down**

**I can't stop what's bout to happen  
I can't stop running backwards**
