

# **Pee ShorÃ©z - Unblock Me**

**\*\*{verse 1}\*\***

**Is you gonna ever inbox me?  
I just wanna be with you, shawty  
Girl, i ain't tripping, you can block me  
Girl, i know you want me probably  
I be being games, jumanji  
Girl, it's like i'm a zombie  
Getting treated like i'm johnny  
You can be my baby, i'm tommy  
And you're not even responding  
Girl, i ain't tripping, you want me  
When you go ghost, it haunts me  
Know you don't want some money  
You ain't taking anything from me  
Getting treated like i'm crummy  
Acting like you don't even stunt me  
Honey, do you feel me?  
If i gave it up, would you kill me?  
Girl, you know you making it chilly  
Are you gonna fuck with me rÐµally?  
Can you take me serious, silly?  
Girl, i'm rÐµally in my feelings  
Girl, you just don't know the feeling  
Worried 'bout him but i'm chilling  
I feel like i'm a chameleon  
I know that i'm worth a trillion  
Girl, you know that i need healing  
Girl, you know that i been kneeling  
You can have it all but you stealing  
I need my baby back, i'm having a heartache**

**Girl, you know you're being so wack**

**What is so wrong with that?**

**\*\*{hook}\*\***

**I wish i can wake up and it's all a dream**

**It's all a dream but**

**\*\*{verse 2}\*\***

**Girl, i know that you can swallow**

**What if there's not a tomorrow?**

**Girl, i know you want that car, though**

**Tell me if i'm being smart, though**

**I know you been having you enough**

**I just wanna talk to you because**

**Tryna give you all of my damn trust**

**This is something that we gotta discuss**

**Know you don't want it but it's love**

**Girl, you gotta get off them damn drugs**

**You can even have you a big hug**

**Tryna thug it out but i'm no thug**

**Wanna be with you when we in the club**

**But you just be doing too much**

**Girl, i love when you do that stuff**

**I really wanna be inside them guts**

**Really wish that i can feel your touch**

**You be always acting so damn tough**

**Girl, i know you like it when it's rough**

**Just suck!**

**\*\*{outro}\*\***
