

Pee ShorÃ©z - Sometimes Used

{intro}

Yes sa hey

{hook} (2x)

What is to me?

Sometimes i think you want to use me

Sometimes i be acting so goofy

Sometimes i just let you fool me

Sometimes i just let you be a bully

Sometimes i let you use me

Sometimes i act so goofy

Sometimes i don't turn on the movie

And watch it sometimes, sometimes!

{verse 1}

I can't think

It seem like my kind going extinct

Every time i fail, let that sink

Oh well, i guess i'ma go drink

Lowkey, i heard the phone ring

I feel like they don't do nothing

But flex on me, ain't that something

But you still ain't do that one thing

I cared about you, what you mean?

I was there for you supposedly

You ain't figure that out supposedly

Why leave me here and ghost me?

And you're still worried, you're so nosey

If you want me to see it, then show me

I need you to look closely

I'm out here picking up these groceries

Just a few groceries, look you told me
That you wanted to be with me, jody
Got me putting in work like kobe
You stole from me, ginobili
Now you got me singing jodeci
Playing on the piano you don't notice me?
Someone knocked on your door and know it's me
I feel so brokenhearted
Girl, look what you've done started
You got me going retarded
And i've been going my hardest
Just to show people i'm an artist
But i guess i'm just a target
I don't claim i'm a sergeant no more
Excuse me, soldier, i beg your pardon
You're doing this job regardless, let's go spartans!

{hook} (2x)

What is to me?

Sometimes i think you want to use me
Sometimes i be acting so goofy
Sometimes i just let you fool me
Sometimes i just let you be a bully
Sometimes i let you use me
Sometimes i act so goofy
Sometimes i don't turn on the movie
And watch it sometimes, sometimes!

{outro}

Yes sa hey

Yup!, hey!?! (aha)
