

Pee ShorÃ©z - Why Does It Hurt?

{Hook} (2x)

Why is she on my mind

Why does it hurt all the time

Why is she not online?

Why is this girl not mine!

Why does it hurt me?

Why does it hurt me?

Why does it hurt me?

Why does it hurt me?

Why does it hurt?

Why won't it work?

Why does it hurt all the time?

{Verse 1}

Can you relate? To someone fake?

She had my heart but she let it break

No, I'm not Drake

I wear a cape

I make mistakes, I know no one is safe

I want a break

I cannot take this, can I escape?

This is my tape, baby sorry I'm late

Sorry for the wait

What's with all the hate, momma what did I say?

Momma, listen you my baby momma

Yeah, you my bae?

Hope we okay

Hope that we straight, momma baby behave

You said you forgave me, bitch I ain't crazy

And that don't faze me, this is called slavery

You need to pay me, that is not lady-like, that's fugazi

What did I do to you, was I too shady?

Maybe I'm crazy, damn maybe just maybe!

{Hook}

Why is she on my mind

Why does it hurt all the time

Why is she not online?

Why is this girl not mine!

Why does it hurt me?

Why does it hurt me?

Why does it hurt me?

Why does it hurt me?

Why does it hurt?

Why won't it work?

Why does it hurt all the time?
