

Achampnator - New Age

**If love was a word, I don't understand
The simplest sound, with four letters
Whatever it was, I'm over it now
With every day, it gets better
It gets better**

**Are you loving the pain, loving the pain?
And with every day, every day, I try to move on
Whatever it was, whatever it was
There's nothing now
You changed
New Age**

**I'm walking away, from everything I had
I need a room with new colours
And there was a time
When I didn't mind
Living the life of others**

**Are you loving the pain, loving the pain?
And with every day, every day, I try to move on
Whatever it was, whatever it was
There's nothing now
You changed
New Age**

**So much fire that it burned my wings
Her heat was amazing
Now I'm dreaming of the simple things
Old ways, erased**

**If love was a word, I don't understand
The simplest sound, with four letters**

**Are you loving the pain, loving the pain?
And with every day, with every day, I try to move on
Whatever it was, whatever it was
There's nothing now
You changed
New Age**

**Loving the pain, loving the pain?
And with every day, every day, I try to move on
Whatever it was, whatever it was
There's nothing now
You changed
New Age**
