

Achampnator - GoofTroop Opening

H-h-h-h-hit it!

Like father, like son

You're always number one

Best buddies, best pals (Yeah!)

You always seem to work things out

Can't you see that you're two of a kind?

Looking for a real good time

Real good time

(A real good time)

Report to the Goof Troop

(Goof Troop)

And we'll always stick together

(Always stick together, yeah)

We're the Goof Troop

(Goof Troop)

Best of friends forever

Side by side wherever we go

We're always ready to roll

(Now gimme a beat)

We're the Goof Troop

And we always stick together

Oh, we're the Goof Troop

Best of friends forever

Now we're calling everyone

Come along and join the fun!

Report to the Goof Troop!

Ba-doop-a-doop bop boppa doo bop!

Yeah!
