

## **Gothic Psychology - Anemic**

**{Verse 1}**

**I've finally given up on you  
But you never gave a reason why  
It never seemed to promising anyways  
But why do you care how it turns out?**

**{PreChorus}**

**But I'm half you (BUT)  
And you're all me (AND)  
The truth is never (THE TRUTH)  
How it seems (HOW IT SEEMS)**

**{Chorus}**

**As the knife slides across your skin  
You've finally let these demons win**

**{verse 2}**

**There's fucking blood pouring out my mouth  
It only hurts because you let temptation win  
It's boiling, burning every little thing hurts  
I tried to warn you but you gave it all up**

**{PreChorus}**

**But I've never been me (BUT)  
And you've never been enough (AND)  
But the lie is always shrouded (THE LIE)  
In your insecurities (IN YOUR INSECURITIES)**

**{Chorus}**

**As the knife slides across your skin  
You've finally let these demons win  
You've given up on all that stood a chance**

**Your blood will never be enough (SLUT)**

**{Bridge}**

**But you fucked up it's never how it seems  
Keep going cause look at how it feels  
You keep slicing it's not about how it looks  
Keep going cause look how it feels**

**You should've shoved it it's a bunch of lies  
You only do it cause of how it feels  
Stop caring you've never ever been enough  
You keep slicing cause of how it feels**

**{Chorus}**

**As the knife slides across your skin  
You've finally let these demons win  
You've given up on all that stood a chance  
Your blood will never be enough**

**As the knife slides across your skin  
You've finally let these demons win  
You've given up on all that stood a chance  
Your blood will never be enough**

**{outro}**

**SLUT**
