

## **Gothic Psychology - 40 Minutes**

**{Verse 1}**

**Broken heart & broken bones**

**On the edge of satisfaction**

**Little life & giant loans**

**Talking like a greater action**

**Falling fast with dirty wings**

**A gentle push with many rings**

**It's too late to make a change**

**So cut yourself and rearrange**

**{PreChorus}**

**You're broken**

**But I'll put you back together**

**{Chorus}**

**I want these bruises on my skin**

**To mean something to me again**

**When the lights cut out for me**

**Do they ever go out for you too?**

**{Verse 2}**

**Beating hearts & beating whips**

**This is our first reaction**

**Shitty sex and half-assed lovĐµ**

**It's not our first interaction**

**Talking slow with little thought**

**It's all in the Đµcstatic shock**

**My only love can not be bought**

**But I can't keep staying alive**

**{PreChorus}**

**Cut yourself**

**Just take me with you**

**{Chorus}**

**I want these bruises on my skin  
To mean something to me again  
When the lights cut out for me  
Do they ever go out for you too?**

**I want these bruises on my skin  
To mean something to me again  
When the lights cut out for me  
Do they ever go out for you too?**

**{Verse 3}**

**Night is cold night is gold  
I keep going on forever  
On the phone it feels so cheap  
These people let me be me  
Endurance test and fractures  
Thinking about some other actors  
I hear him speak I just don't listen  
Just come and let the mist in**

**{Instrumental Outro}**
