Skiddelz - This Song Is For Kids Only

(Verse 1)

Hey little ones, gather 'round, it's time to play

In the world of rhymes, where we groove and sway

We'll hop and skip, make our way through the day

With words as our guide, we'll find our own way

In the land of imagination, where dreams take flight

We'll paint with words, in colors so bright

From the tallest mountains to the oceans deep

In our rhyming world, there's no time to sleep

(Chorus)

Hey, hey, here we go

In the world of rhymes, let your spirit flow!

Sing it loud, sing it strong

With our rhymes, we all belong!

(Verse 2)

A, B, C, let's sing the song

Learning is fun, we'll never get it wrong

From apples to zebras, we'll explore it all

In the rhythm of our rhymes, we'll stand tall

Counting one, two, three, with every beat

Math is easy, it's really neat

Shapes and colors, we'll learn as we play

In our rhyming world, every day's a new day

(Chorus)

Hey, hey, here we go

In the world of rhymes, let your spirit flow!

Sing it loud, sing it strong

With our rhymes, we all belong!

(Verse 3)
Let's take a trip to the land of make-believe
Where anything's possible, if you just believe
Dragons and unicorns, they're all our friends
In our rhyming world, the adventure never ends

Through forests of words, we'll wander and roam
In search of treasures, we'll find our own
With each new verse, our story unfolds
In the world of rhymes, our imagination holds

(Chorus)
Hey, hey, here we go
In the world of rhymes, let your spirit flow!
Sing it loud, sing it strong
With our rhymes, we all belong!

(Verse 4)
Now it's time to bid adieu
But don't be sad, our journey's not through
With rhymes in our hearts, we'll go on our way
Until we meet again, another day
So keep singing, keep rhyming, let your voice be heard
In the world of rhymes, let your spirit soar like a bird
For in our rhyming world, there's always a place
Where laughter and joy will never erase

(Chorus)
Hey, hey, here we go
In the world of rhymes, let your spirit flow!
Sing it loud, sing it strong

With our rhymes, we all belong!
