

## MaGyverMIRE - Delilah

{Woman speaking}

I am sick and tired of hearing from other people that you're cheating on me  
You know how long our relationship has been?  
4 yearsâ€” and you got me pregnant too

{Verse 1}

Yeah, that's right  
I have a lot to say  
I'm confidential, nothing mistaken  
I'm living life right now  
Back to the stage, you know I got passion  
I'm so old, I listen to PE on a regular basis  
Others kill and die, they live in their pride  
Is that what you're proud of?  
I had a dream that I'll buy heaven  
It wasn't the case, oh Satan  
Self-destruction agent  
I popped that pill, it was pleasant  
But God showed I was a peasant  
Then I ran away, holy grail  
Bitch you better even the scales  
My rating on high, I'm an 8

-

Girl I

I feel so proud when I hop on the mic  
I spread the hate, like Taliban records  
You shot me 5 times so gimme that space  
I got you now, I'm running in place  
Let's cut to the chase  
Straight from the gutter you know what you bout  
You're nothing above, I could stomp you now

**We watching niggas dissing each other  
Whilst I'm stacking my dollars  
From here to infinity  
Love thy enemy  
Niggas got knowledge but no chemistry  
I'm fucking your bitch  
I got fenemines  
I got realie tings  
{Hook}**

**So I  
Live my life to the fullest  
Until the dead lights  
Love doesn't exist man  
So I x2  
(Yu-gi-oh, yu-gi-oh x2)  
(Till the dead times)**

**{Woman speaking}**

**I am so sick and tired of hearing that you're in bed with Kuara and you're  
doing this with so and so  
You know what? I'm done with you  
I'm through with you  
And you know what? I'm saying this on your phoneâ€” not your phone, cause thi  
s is your work phone  
I'm saying this on your work phone so you get fired  
That's right now everyone**
