

C-Weez - CONSPIRACIES

{Intro}

**Got me mad as shit, with 100 in a rubber band
I be making conspiracies yuh, feel like Einstein
Fuck this bitch in January, thats my resolution
My resolution, my resolution**

{Verse 1}

**I just fucked this bitch overseas and now I'm wavy
Hanging with the c's got me movin'
Movin' movin' movin'
Conspiracies, conspiracies
Conspiracies, conspiracies**

{Outro}

**Bitch, snitch
Wide body kit, with the switch
Fuck this I got conspiracies
Put him in the ditch
Put her in the kitch'
Put him in the ditch**
