I put you in the way for my heart

No a nigga cannot see you when its dark

No i cannot see you when you far

Say you came at a nigga at the right time

Know i love you, but i really want it night time

Down south nigga. who you are ?

You know that liquor finna tell me who you are

Linking€ sometimes you have a nigga thinking

**Nigga wanna love you, but a nigga know that bitches hoes so a nigga really

Something told a nigga she was leaving

Then a nigga came back. pick up the pieces!

Sleeping on her past niggas. niggas tempur pedic

Let a nigga get to playin with her, nigga no more breathing!

(huh? what?)

Make a bad joke, she oh-kay

And she got all the bitches out my face

No a nigga cannot wait for that day, ay. nigga get to get on one knee

And i think lil mama would agree

Cus a nigga really love her, and i hope that she see

Say i really do love her and i make time for we
