

Fox the Fox - Something Special

Whoo, baby, baby

Whoo, baby, baby

In every life, there will come a moment

You stop and realize what's going on

Somewhere I got lost

Somewhere down the line of love

In every heart, we seek perfection

Until we realize hearts can't be tamed

Try to understand

I can't change the way I am

We got something special, ooh, baby

Don't give up on me

We got something special, ooh, baby

Don't turn away from me

In every life, there will come a moment

You stop and realize you're on your own

Somehow I'll survive

Something tells me deep inside

We got something special, ooh, baby

Don't give up on me

We got something special, ooh, baby

Don't turn away from me

Deep inside, I know we've grown apart

Still, I hope someday our hearts

Will meet again, and we'll be friends

Friends until the end

Ooh, baby, baby, baby, baby

Ooh, ooh

Don't give up on me

Whoo

Baby, baby

Don't turn away from me

I carry a heavy heart

For there'll be decisions I have to make

I can't go on like this

Oh baby, I'm so afraid

The more I think about it, the more I realize

That time won't heal my wounds

If I don't escape the knife

We got something special, ooh, baby

Don't give up on me (Don't give up on me)

We got something special, ooh, baby

Don't turn away from me (Don't turn away from me)

We got something special, ooh

Don't give up on me (Don't give up on me)

We got something special, ooh, baby

Don't turn away from me
