

Jaden - The Coolest

{Verse 1}

It's the coolest of the coolest

It's the smoothest of the smoothest

It's the crudest and the rudest of the stupid kids

Mr. Vicious with his misses

Blowing kisses to his mistress

And his misses blowing riches like some hooligans

I wasn't tripping, I just listen

To these women when they sippin' on them juices

They say "Jaden, yeah he's too legit"

And I be flipping cause they slipping

And they dipping in the pool they saying pool

And they be drooling cause I'm super ripped

I might be tripping, but I'm living how I'm living

I'm fourteen, I'll be forgiven

So forget it bro, I'm moving in

I don't care how you be getting all offended

Cause I'm taking older women

Well I'm sorry bro I do it big

So just listen when I'm spitting

It's the realest that you getting

Of these writtens if you messing with the stupid kid

But if you isn't never get it

Cause I didn't mean to push you

If you want it and you need it girl then come and get it, yeah

{Hook}

It's the coolest

{Verse 2}

I'm the leader of the leaders on the leader boards

We be winning when I'm spitting I don't need the score

I just eat you like a cheetah and it's getting boring
Spitting bars check the blogs if you need some more
MSFTS in this man what's the deal
Me, Moi and Matteo yeah that's the trio
About to get up on the stage 'cause we feelin' ill
Chilling with ebony crew depending upon how I feel
Yeah, 'cause the youth is taking over
Baby you can cry up on my shoulder
Sixer season ticket holder
And my flows are only getting colder
And I told yer
The Clique
That there's no other
Please you ain't messing with my C's in the Suburbs
Getting beats from Ace everyone knows that's my brother
And teachers tell me walk, but I really rather hover in the JAMfest

{Hook}

It's the coolest

{Verse 3}

It's the wannabe ghetto kid

Yes I'm about to level with

All of my homies, all of my fellows

It's crazy

Man you messin' with the MSFTS

Man I doubt that we gon' settle it

That's because lately

I've been sipping on a soda

And I'm chilling with a hottie and she's really into yoga

My baby, Love notice what I wrote her

And she kiss me on the lips every time a joker show up but, they see

Just a bunch of kids who don't know what love is and think that we should wait 'til we get older, Huh maybe

But, I'd rather swallow throw up 'cause I'm chilling with my girl and I doubt I'll ever grow up
But, you know what? They ain't gonna slow us up
We the youngest, we the ones that know what's up
I'm an alien my flow is just so abductable
Conspiracy theories never go as up
I'm done
