

## **Anna Thompson - Wouldn't that be bad?**

**{Verse 1}**

**Baby, I don't know if this one's gonna work**

**We're doomed from the start**

**But that's not a first**

**At the school of art**

**But it's hard to learn**

**Let's be obsessed**

**Let's be the worst for each other for a while**

**You like your car and making me smile**

**{Pre-Chorus}**

**What if the road that we take stretched for miles?**

**What if we fell in love or something?**

**{Chorus}**

**Wouldn't that be bad?**

**If we got in the car and crashed**

**Wouldn't it?**

**Wouldn't that be sad?**

**If that flame turns us to ash**

**Couldn't it?**

**Wouldn't you regret not kissing on my neck**

**In the back of the club with a girl from the internet**

**Wouldn't that be bad?**

**If it went like that, wouldn't it?**

**Oh**

**{Post-Chorus}**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**B-b-b-baby**

**{Verse 2}**

**If I'm honest I'm just prepared for the worst**

**You can break my heart, you can make it hurt**

**All up in my art and I can make it work**

**But I might go to far and make it worse**

**You've taken every bit of peace I have**

**And baby, If I'm being honest I don't think I want it back**

**I can see this being real, real bad for each other for a while**

**{?}**

**God you make me wild**

**{Pre-Chorus}**

**What if the road that we take stretched for miles?**

**What if you break my heart or something?**

**{Chorus}**

**Wouldn't that be bad?**

**If we got in the car and crashed**

**Wouldn't it?**

**Wouldn't that be sad?**

**If that flame turns us to ash**

**Couldn't it?**

**Wouldn't you regret not kissing on my neck (not kissing on my neck)**

**In the back of the club with a girl from the internet**

**Wouldn't that be bad?**

**If it went like that, wouldn't it?**

**Oh**

**{Post-Chorus}**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**

**(Wouldn't that be)**

**(Wouldn't that, that be)**

**(Wouldn't that be)**

**So bad**
