

Bruce Hibbard - Rescue Me

Feeling like I'm the only one around
Seems that life is taking me nowhere but down
Living but I'm living wrong
I get up on my feet, sing this song

Rescue me, blessed Savior
Rescue me, that's what I say
Rescue me, rescue me
When I'm in trouble, won't You rescue me?

Hey
Hey, yeah
Yeah, yeah, yeah

Trapped like a prisoner, deep in sin
No way out, no way in
A prison in which there is but one escape
I fall down on my knees before it's too late

Rescue me, blessed Savior
Rescue me, that's what I say
Rescue me, rescue me
When I'm in trouble, won't You rescue me?

Rescue me, blessed Savior
Rescue me, that's what I say
Rescue me, rescue me
When I'm in trouble, won't You rescue me?
Hey
Hey, yeah
Yeah, yeah, yeah

**Rescue me, blessed Savior
Rescue me, that's what I say
Rescue me, rescue me
When I'm in trouble, won't You rescue me?**

**Rescue me, blessed Savior
Rescue me, that's what I say
Rescue me, rescue me
When I'm in trouble, won't You rescue me?**

**Hey
Hey, yeah
Yeah, yeah, yeah**

**Savior, rescue me
Savior, rescue me
Savior, rescue me
Savior, rescue me
Savior, rescue me
Savior, rescue me**
