

## **Fox the Fox - You Got It All**

**Take and enjoy  
Rolling the ball  
You make me crawl  
Crawling the wall  
Squeeze and release  
Flying up high  
You make me float  
Floating the sky**

**Yes, you got it all  
Well trusting  
Yes, you got it all  
Handshaking  
Yes, you got it all  
Blood-cooking**

**Tender and blue  
Dancing with you  
You make me fly  
Like a bird in the sky  
Lazy and free  
You make me see  
You wanna be  
Closer to me**

**Yes, you got it all  
Sweet kissing  
Yes, you got it all  
Hand jiving  
Yes, you got it all  
Deep diving**

**Yes, yes, you got**

**Yes, yes, you got**

**Yes, yes, you got**
