

DaVan Official - King Of The Game

{Verse: 1}

Step into the room, feelin' fly
Got the swag and that style, catchin' eyes
King of the game, I'm on top Everybody askin' when I'm gon' drop
Livin' that fast life, never slowin' down
Yeah, I'm a cowboy, get your hoe down
Took her to the bedroom just to hoe her out
Goin' all night, round after round

{Verse: 2}

I said I got a drug problem, pop two lace them
Got a drug problem, perc two lace him
I have a problem, I promise you can't even solve them
Break the pill down into a mineral, Codeine in my cereal
Give me a cut, no razor blade
Doin' a drill, like Major Payne
Purple in my cup, no rainy days
Feelin' like Prince, all I wanted was some purple rain
Dirty, dirty Fanta, yeah, that dirty sprite
Drugs goin' high and low
Demons comin' at the door
No, I won't play these games no more
Take your belongings at the door
The fuck you doin' in my crib?

{Verse: 3}

Rookie of the year, I'm so fly
Had to ball on these rookies, had to try
Shittin' on my peers, I'm the guy
You can run, but you can't hide
AP on my wrist, check the time Speaking of time, it's half past nine

Never work a nine-to-five, You will never catch me lackin', that's right

Take the pills, oh yeah, that's right

Mix it with the liquor, have a good night

No time for arguments, past tense
