

## **DaVan Official - Big Body Truck**

**{Hook}**

**Big body truck, yeah, right off the lot, yeah  
DaVan comin' hot, yeah, he comin' hot, yeah  
Young boy with a Glock, yeah, young boy with a Glock, yeah  
Don't stay in the way, yeah, you might get shot, yeah  
Diamonds all on my wrist, down to my waist  
I see through all the fake, all the blurry, blurry  
I've been ballin' like a pro, no curry  
I was really servin' crack at the crack house  
Bitches be shakin' ass at the crack house  
Bitches be, mad, what the fuck is this about?  
I done grew up sellin' dope at dope house  
I was really growin' really at the dope house**

**{Verse}**

**I was flippin' them packs, uh-huh  
Demons wanna come and play, slay em  
I'm a big monster, yeah, mysterious  
Talk to your bitch, she a lil' delirious  
Fuck my bitch, nah, you hilarious**
