

## **Kuh Ledesma - Manila**

**{Intro}**

**Maraming beses na kitang nilayasan  
Iniwanan at iba'ng pinuntahan  
Parang lalaking kay hirap talagang malimutan  
Ikaw lamang ang aking laging binabalikan**

**{Refrain}**

**Manila, Manila  
I keep coming back Manila  
Simply no place like Manila  
Manila, I'm coming home**

**{Verse}**

**I walked the streets of San Francisco  
I've tried the rides in Disneyland  
Dated a million boys in Sydney  
Somehow I feel like I don't belong**

**{Chorus}**

**Hinahanap-hanap kita, Manila  
Ang tinig mong kay sarap sa tainga  
Mga jeepney mong nagliliparan  
Mga babae mong naggagandahan  
Take me back in your arms, Manila  
Promise me you'll never let me go  
Promise me you'll never let me go  
(Manila, Manila)**
