

BENJIxScarlett - Sad CatNap Song (Poppy Playtime Chapter 3 De

**I'm gonna quit
What's the point?
Everyone hates me, I have no friends!
But wait, I can't give up!
I'm the best, I'm gonna prove the haters wrong!
I'm CatNap and I'm sad
No-one will be my friend
I'm Catnap and I'm sad
When my sadness end?
CatNap, oh CatNap
Where did joy all go?
Empty belly rumbling low
Shadows dancing to and fro
Just a kitten all alone
Missing the warmth of a loving home
I'm CatNap and I'm sad
No-one will be my friend
I'm CatNap and I'm sad
No-one will be my friend
I'm CatNap and I'm sad
When will my sadness end?
Maybe tomorrow will be the day
Someone chases my blues away
A playful hand with every toy
A little girl, a bouncing boy
I'm CatNap and I'm sad
No-one will be my friend
I'm CatNap and I'm sad
When will my sadness end**
