

Bruce Hibbard - Make Me A Blessing

**Make me a blessing to someone today
To show some soul Your way
Use my life in whatever way
Make me a blessing today**

**Make me a blessing to someone today
Just to show some soul Your way
Use my life in whatever way
Make me a blessing today**

**Help me see all the others in need
That my ears may hear the lost sinners plea
Lord, my prayer is that You make me
Make me a blessing today**

**Make me a blessing to someone today
Just to show some soul Your way
Use my life in whatever way
Oh, won't You make me
Make me a blessing, Lord, today
Make me a blessing today**
