

## **Kuh Ledesma - Love Is**

**{Verse 1}**

**They say it's a river that circles the Earth  
A beam of light shinin' to the edge of the universe  
It conquers all  
It changes everything**

**{Verse 2}**

**They say it's a blessing  
They say it's a gift  
They say it's a miracle, and I believe that it is  
It conquers all  
But it's a mystery**

**{Chorus}**

**Love breaks your heart  
Love takes no less than everything  
Love makes it hard  
And it fades away so easily**

**{Verse 3}**

**This world we created  
In this place that we live  
In a blink of an eye, babe, the darkness persists  
Love lights the world  
Unites the lovers for eternity**

**{Chorus}**

**Love breaks the chains  
Love aches for every one of us  
Love takes the tears and the pain  
And turns it in to the beauty that remains**

**{Bridge}**

**Look at this place**

**It was paradise, but now it's dying**

**I'll pray the love**

**I'll take my chances that it's not too late**

**{Instrumental Break}**

**{Chorus}**

**Love breaks your heart**

**Love takes no less than everything**

**Love makes it hard**

**And it fades away so easily, oh-woah**

**Love breaks the chains**

**Love aches for every one of us**

**Love takes the tears and the pain**

**And turns it in to the beauty that remains**

**{Outro}**

**Ooh, ooh-ooh-ooh-ooh**
