

Bruce Hibbard - Given Myself Over

**I've given myself over to a new way
A new day has begun in my life, I've started over
I've done some rearranging in my life
Hey, nothing's quite the same, I feel brand new
I'm thinking sober**

**I had to check things out deep inside of me
And when I did, I saw something I did not want to be**

**So I've given myself over to a new way
A new day has begun in my life, I've started over
I've done some rearranging in my life
Hey, nothing's quite the same, I feel brand new
The old way's over**

**It seemed I'd always thought that by myself
I could get along
But when I found God's love, I soon found out
I was wrong**

**So I've given myself over to a new way
A new day has begun in my life, I've started over
I've done some rearranging in my life
Hey, nothing's quite the same, I feel brand new
The old way's over**
