

odihi - im sorry that i never helped u out

{Intro: Unknown Person}

**This is what I have to go through every day
Every day when I walk down the street
And they just taunt me like a€”
And it's making me crazy
Stop it, stop it, stop talking to me like that
I'm a person, okay?**

{Refrain}

**Ah, ah-ah, oh
Ah, ah-ah, oh
Ah, ah-ah, oh
Ah, ah-ah, oh**

{Verse 1}

**I'm sorry that I never helped you out
Filling up your head with doubts
Sorry that I lied with words from my mouth
I fucked up and I see that now
From the scratches on your neck
To the blood on your corset
So much shit that I regret
I know you wish we never met**

{Refrain}

**Ah, ah-ah, oh
Ah, ah-ah, oh
Ah, ah-ah, oh
Ah, ah-ah, oh**

{Verse 2}

I woke up in the morning

In the same spot where we slept
Searched all through out my house
To realize that you fuckin' left
My head is filled with tears
And my chest is filled with sweat
I'm sorry that I hurt you
For the words I never meant

{Bridge}

I know what I did and I'm sorry for it too
But you don't realize how much I still love you
So, baby, will you please come back?
The thoughts of you leave my mind turning black, oh-oh

{Outro}

Oh-oh, oh-oh-oh
Oh-oh-oh (Oh-oh, ah)
Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh

{Skit}

Now you see what I have to put up with every fucking day
This is my life and it sucks
So, this was my video, andâ€™”
Loser!
Shut up, damn it!
Shut up, I'm doing my video
