

## **Bruce Hibbard - Only God**

**Only God can put a song in your heart  
Only He can give your life a brand new start  
Only Jesus can bring a song your heart can sing  
Friend, you can't go wrong  
He can give your life a brand new song  
Let Jesus put a song in your heart**

**Only God can put a song in your heart  
Only He can give your life a brand new start  
Only Jesus can bring a song your heart can sing  
Friend, you can't go wrong  
He can give your life a brand new song  
Let Jesus put a song in your heart**

**As I reflect back on those wasted years  
All the loneliness inside, the guilt I tried to hide  
YĐµt in God's grace, I came to find  
The answĐµr just in time  
When Jesus put a song in my heart**

**Only God can put a song in your heart  
Only He can give your life a brand new start  
Only Jesus can bring a song your heart can sing  
Friend, you can't go wrong  
He can give your life a brand new song  
Let Jesus put a song in your heart  
I can't imagine just how my life would be  
Without the joy of Christ in me, or no hope eternally  
How can anyone really say  
That they found the way  
'Til Jesus put a song in their heart**

**Only God can put a song in your heart  
Only He can give your life a brand new start  
Only Jesus can bring a song your heart can sing  
Friend, you can't go wrong  
He can give your life a brand new song  
Let Jesus put a song in your heart**

**Friend, you can't go wrong  
He can give your life a brand new song  
Let Jesus put a song in your heart  
In your heart**
