

## **Bruce Hibbard - Peace**

**Peace that comes from God  
Joy that no one else can bring  
Trust in God, who can bring new life within  
Trust in God, who can bring new life within  
Hey, yeah, trust in God, who can bring new life within**

**The man who finds life will find it  
When he reaches out to take the hand  
Of the only One who can bring to him  
Peace that brings true understanding  
Joy that has no ending**

**Peace that comes from God  
Joy that no one else can bring
