

BENJIxScarlett - Pomni X Gummigoo Song

Pomni?

Yes Gummigoo

I really miss you

I miss you too

I dont think i can survive in this digital circus alone

Its okay

I'll always be with you

In your heart

Gummigoooooo where are youuuuu

I miss youuuuu (miss you)

Gummigoooooo where are youuuuu

I miss youuuuu (miss you)

Oh pomni why'd you have to go (go)

Now youre in th digital circus alone (so alone)

You were my friend and taught me how to feel (feel)

But now i feel nothing i dont know what is real (what is real)

What am I? I dont even know

But when im with you, im never alone

I thought me and you would be together forever

But then caine came and killed me

And now it's a never! (never, never)

Gummigoooooo where are youuuuu

I miss youuuuu (I miss you!)

Gummigoooooo where are youuuuu

I miss youuuuu (miss you)

(I MISS YOU POMNI)

(WHERE'D YOU GOOOOOOOOOOOOOOOOOOOOOOOOOOOOO)
