An Egirl girl yeah she diva

Ecchi be her vibe she be slutty

Got her spazzing

Girl she crazy

She got the DxD girl build

Blessed on the front to the back

Akeno rias shawty gotta add up

Cute but sexy, that's my game

In your arms, I feel the flame

Whispers soft and kisses sweet

On your pole, I find my beat

Cute but sexy, here tonight

Hold me close, just feel the light

In your eyes, I see the lust

Together, lighting the dark

**She a bad girl dressed like an Egirl
A goth girl she on a mission
She lusty dressed like a weeaboo
Not judging cause she a freak freak**

In her space, I'm losing time

In her world, it's a living dream so please don't wake me
In her vibe, you wanna swim, Lost in her, it's sink or swim**
