

Poi Dog Pondering - Sweet Thing

{Verse 1}

I will stroll the merry way and jump the hedges first
And drink the clear clean water for to quench my thirst
And I will watch the ferry boats, and they'll get high
Against the deep blue ocean, against tomorrow's sky

{Verse 2}

And I shall drive my chariot down your streets and cry
"Hey, it's me, I'm dynamite and I don't know why"
And you will take me strongly in your arms again
And we will never remember that we ever felt the pain, no

{Pre-Chorus}

And we will walk and talk in gardens all wet with rain
And never, ever, evÐur grow so old again

{Chorus}

Sweet thing

Sweet thing

My my my, my my my, my my my, my my my

My my my, my my my, my my my, my my my, my my my, my my my, oh

{Verse 3}

And I will raise my hand into the nighttime sky
And count thÐu stars that are shining in your eye
And try to dig it all and not to wonder why man, this is fine, this is fine
And just be satisfied not to read in between the lines

{Pre-Chorus}

And we will walk and talk in gardens all wet with rain
And never, ever grow so old again

{Chorus}

Sweet thing, sweet thing, sugar baby

Sweet thing, sweet thing, ooh, sugar baby

Sweet thing, sweet thing, ooh, sugar baby

Sweet thing, sweet thing, sugar baby

Sweet thing, sweet thing, ooh, sugar baby

Sweet thing, sweet thing, ooh, sugar baby

Sweet thing, sweet thing, sweet thing, sweet thing

Sweet thing, sweet thing, sweet thing
