

## **Jakprogresso - Asphyx**

**{Intro}:**

**Oh fuck, toughin', fuckin' tough crowd  
I'm here to entertain  
Set myself on fire on stage  
I'm here to entertain  
Remove my frame up on stage  
I'm here to entertain {x2} (Yeah, listen to me)  
Yo, yo**

**{Verse}:**

**American flag ragged in my mug, coughin' ether  
I'm not just a rapper, I got papers not from my creation either (You know what I'm sayin'?)  
Ed Gein nerd  
You'll lose your whole birthday suit, Sunday on Easter  
Lappin' off heads, rockin' Bob Seger  
Peppermint berry slush, Percocet bowties  
Marmalade gum drop, psychedelia  
I'm a bird shit graffiti tugboat, rusted and belly up  
Tongue pores touch the alkali earth group, and barium  
Police tape across my cabana, late dumpsites in Buchanan (Hey)  
Off the top on cam like a Björk fan, I'm not into fashion  
Shout outs to Koonan in? (yo), hoodie for Trayvon Martin  
Escort slumped in the Aston  
I'm here to return these VHS tapes, late  
Case covered in bloodstains  
I'm Swayze heart falice? and dusky safe  
Takin' L's to the face, these flames  
At 1800K, brain in excel on fire like a burnin' inmate  
Robe ape, sit droolin' in a cave  
Bangladesh, goat throat cutter**

**Hit blot, like no number**

**Farm work, this axe, and old lumber**

**Smokin' a Dutch fulla Woolley Clips, I'm a bone crusher**

**This craft like old rubbers**

**Cookin' shit, 'til the stoves sputter**

**Nevermind**

**{Outro}:**

**Guys, I'm out**
