

Gotham City Syndicatez - Menace of Venice

{Verse}

Think he's gonna getch'ya, gonna getch'ya, gonna getch'ya?

Think he's gonna betch'ya, gonna betch'ya, gonna betch'ya?

Running through this village, naked, spread out alive

Running through this village, naked, spread out alive

Batman's little gay toy, little gay toy, little gay toy, okay, okay

Batman's little gay toy, little gay toy, little gay toy, okay, okay

Think he's gonna getch'ya, gonna getch'ya, gonna getch'ya? (Alright)

Think he's gonna betch'ya, gonna betch'ya, gonna betch'ya? (Alright)

{Chorus}

"Cute little boy", this sick freak thinks to himself

He likes the kind of kids who can't reach the top shelf

The man is the Menace of Venice of life

The heart still beats as it's stuck with a knife
