

Slmp Kay - Inside My Head

Intro:

This love will never fade

This love will never fade

This love will never fade

This love will never fade....

Verse 1

Whoa, I can feel it in my bones

These stories are etched in fuckin' stone

Of laughter and tears we've shed

These moments live inside my head

Outro:

These moments live inside my hĐµad

These moments livĐµ inside my head

These moments live inside my head

This love will never fade....

Verse 2:

Whoa, it's like a movie reel

Each memory so surreal

From silly jokes that made us laugh

To quiet moments walking down the path

In my chest, I hold it all so dear

These memories are crystal clear

In my mind, in my head

Outro:

These moments live inside my head

These moments live inside my head

This love will never fade....

This love will never fade

This love will never fade....

These moments live inside my head

This love will never fade....

These moments live inside my head

This love will never fade....
