

FoxWithGuns - Mystic drip zone

{Verse 1}

**I feel like Sonic 'cause I'm sick
I'm bubonic and I'm quick
Never pause 'cause the money don't quit
Ooh, look at me and your boo
I'm gonna need a dinner reservation for two**

{Verse 2}

**I'm semi, I stay automatic
Craving speed like I'm an addict
Money add, and I stack it
Multiply these mathematics
I'd rather not get in the semantics
Me and the clique, we get up to some antics!**

{Verse 3}

**Get that money fast like there's a Sonic on my wallet
Economics majorly rocking that major straight from college
Got it and immediately I had money on the brain
Nearly culinary 'cause all this dough is insane**

{Bridge 1}

**Do you have the right time old man?
Seven in Hawaii, and two in Japan
Don't get fooled, for this was their plan!
Hawaii is 19 hours behind Japan**

{Chorus 1}

**I'm a ghost! oooooh!!!
I'm gonna need a dinner reservation for two
Who are youu?
I'm John Whick from John Whick: Chapter 2**

I'm thinking I'm back and this will be fun
Do you want a war? Or to give me a gun?
I don't know who you arreee!
I cannot hear you because I am far

{Verse 4}

Hyped up like Sonic on 72 pills of Adderall
I'm flowing on this beat like I'm a f***in h***in waterfall
WAIT! Got a date at eight
Gotta make it quick
Or else I'll be late
I'm the director, you're a disaster
You move quick but Sonic is faster

{Ad Lib, *Sonic The Hedgehog*, _Scott The Woz_}

Hah! It is Sonic Time!

Actually Sonic. it's quarter to nine.

{Verse 5}

I'm ostensibly the best!
I'm... Just... Simply the best!
Robbed a store, and now I'm under arrest!
But I'll break free, because I'm a pest
You can't contain me! I'm much to sick!
Break through the bars
And I'm John Whick
The president called, I'm his number one
Killing some guys and I need a gun

{Bridge 2}

I'm a phantom! wwweeeee!!!!
I'm gonna need a reservation for three
John Whick is annoying meeeeeee
John Whick from John Whick: Chapter 3
