

## **Adam Ford - Show Me**

**{Intro: a golden orchid}**

**Show me something**

**What could be better? Nothing**

**{Verse 1: Adam}**

**Took out my fake grills, just to rap on this**

**I'm a bandana boy, I don't cap on this**

**Bars like Will Smith, I'mma slap on this**

**Anybody wanna try, you attack and miss**

**Okay I was gone but I'm back on**

**And now I gotta drop like a baton**

**And after Big Bird, I'm second**

**In the category, best out of Acton**

**Best out of Flagg Hill, best out of AB**

**Best out of Amherst, best of MCs**

**You don't know wanna test me, you don't even know me**

**Smoking on Garfield, please don't Odie**

**Staying on top of the wave, like a floatie**

**Chill in the baseline, gotta keep it low-key**

**No I don't wanna waste time with you brodie**

**Cut to the chase, now what is therÐµ to show me?**

**{Chorus: a golden orchid}**

**Through the night we wrotÐµ a story**

**Now you hand was on mine, I'll let you explore me**

**I'll let you go wherever girl**

**Show me how you rock my world**

**Girl you gotta show me something**

**Can you, can you show me something**

**Love it when the music's bumping**

**Gotta gotta show me something**

**What could be better? Nothing**

**{Verse 2: a golden orchid}**

**Stop one beat in, bodies drop the floor**

**She let me in before I knock on the door**

**Make bread and win, cleaning the game like a chore**

**Murder the beat, call this dark art, dumbledore**

**Step back like a Steph splash, i'm in my bag**

**Smoke good from my green stash, sip scotch, kick back**

**Eddie gone, EZ here, making this sound easy**

**Adam hit me up, to rip it up, unmatched like yeezys**

**Best believe me, hungry we seething**

**Never better as i let her eat it like panini**

**This temp increasing like a crochet beanie**

**Stepping up like messi to argentina**

**Grooving, improving, and proving no we never losing**

**Choosing this music for love and yes we always cruising**

**Thriving through the heat, bending the beat you'd think i'm Zuko**

**Show me what you got, take me off this world like Pluto**

**{Chorus: a golden orchid}**

**Through the night we wrote a story**

**Now you hand was on mine, I'll let you explore me**

**I'll let you go wherever girl**

**Show me how you rock my world**

**Girl you gotta show me something**

**Can you, can you show me something**

**Love it when the music's bumping**

**Gotta gotta show me something**

**What could be better? Nothing**

**{Outro: Adam & a golden orchid}**

**Grooving, improving, and proving no we never losing**

**Staying on top of the wave, like a floatie**

**Choosing this music for love and yes we always cruising**

**Chill in the baseline, gotta keep it low-key**

**Thriving through the heat, bending the beat you'd think i'm Zuko**

**No I don't wanna waste time with you brodie**

**Show me what you got, take me off this world like Pluto**

**Cut to the chase, now what is there to show me?**
