Skiddelz - I'm Throwin' That Vape Away

{Intro}

This is what I do when I see someone vaping

{Verse 1}

Are you seriously vaping right now? (Yeah, why?)

Vapes are bad for you! (I don't care!) I'm throwing that away, my guy!

Oh.. my god... is that seriously a cigarette?

(Leave me alone already!) You're making me upset!!

(What's wrong with you?) Nothing! I'm tryna help you out!

(I love vapes!) Just eat something healthy, like a brussel sprout

Haha! I got your vape, and I threw it away!

(I NEEDED THOSE CIGARETTES!!!) Cigarettes will turn your lungs gray!

{Chorus}

Vaping is bad, Cigarettes are bad!

Marijuana too! (You're making me mad!)

Everytime I see you vaping, it makes me sad!

(Oh, I didn't know!) Vapes arÐµ not rad

You're crazy for that! (I can quit anytime)

No you can't you're just gonna keep vaping all thÐµ time!

(Ok, I get it! I'll quit vaping, man!)

That's what I thought, those things should be banned!
