**{Intro}**

**I**

**I am not well**

**I**

**I am in Hell**

**{Pre-Chorus}**

**Do you want me to try?**

**Find a new way by?**

**To a world that's un-corruptible?**

**To one that's not dysfunctional?**

**{Chorus}**

**As they parade those streets**

**I'm killing you and you're killing me**

**The prophets begin to weep**

**Cause Batman is a creep**

**As they parade those streets**

**I'm killing you and you're killing me**

**The prophets begin to weep**

**Cause Batman is a creep**

**{Verse}**

**Pride is a sin, wear it on your skin**

**The world's gone wrong, it's gonna be long**

**An age of decay, the price we pay**

**Pride is a sin, wear it on your skin**
