

### **TH3 AY3S - NeedEmGreen**

**There is so much stuff on my Amazon wishlist  
Gotta get something  
For my cousins for christmas  
I'm not doing well  
Living in a boat across the street  
So bored of waiting  
I'm bring you this sick beat**

**Right now I have zero dollars on my Visa card  
Trying to stay happy  
But you know life is really hard  
Got all lot of stress that's on my mind  
I have this feeling all the time  
So I'm bring a fresh new rhyme**
