

TH3 AY3S - PrizesUpNow

{Verse 1: TH3 AY3S}

**Prizes up now, shining bright
Chase them down with all your might
Dreams within reach, don't give in
Let the games begin, let's win**

**Competition fierce, hearts ablaze
But we'll push through these maze
Victory's taste so sweet and pure
We'll keep striving for more**

**The journey long, the road is tough
But we won't ever say enough
Prizes up now, within our sight
We'll keep reaching for the light**

{Verse 2: Lilmauu}
