

## **BitFinity - Ode to Minions**

Do you remember the Piranha Plant that you roasted in 5-1?  
And were you there when his family received the news about their son?  
These minions clock in from 9 to 5 to provide for their wives  
Not knowing it'd be the last day of their lives

So light a candle for the Goombas that were crushed beneath your feet  
Say a prayer for all the Octoroks that were sliced into mincemeat  
Give a shoutout to the Keese you killed just to open that locked door  
'Cause no one thinks about the minions anymore

**{MOBLIN, spoken}**

As we gather here to mourn the loss of our pal, let's never forget that Dodongo disliked smoke. He disliked smoke... To the end!

**{KING DEDEDE, spoken}**

That Kirby's devoured about half of Dream Land by now!

**{BOMB, spoken}**

Yet another Cactuar tragically slain in the name of grinding...

**{NARRATOR, spoken}**

The last Metroid is in captivity. The rest... have all died

**{KOOPA, spoken}**

Curse you, spiny blue shell!

**{BOWSER}**

Your pet Yoshi helped himself to a buffet (Shy Guy flambÃ©)  
You've slain 'em just for being in your way ("Get 'em, Entei!")  
They've got kids to feed, yards to weed  
Taxes and bills to pay

**So put your plumber's hat over your heart and say...**

**That you're sorry to the Mets you fried just to grab an extra screw (Grab a  
n extra screw)**

**Apologize to the ducks you shot so a dog wouldn't laugh at you!**

**Genocide is typically frowned upon, and yet Samus disagrees**

**Don't forget the Slimes you killed for EXP!**

**These minions gave their lives...**

**For guys like...**

**Me...**
