

## **TH3 AY3S - MeanwhileInTheCity**

**Neon lights flicker, streets alive at night  
Skyscrapers reaching for the stars so bright  
Traffic hums in a symphony of sound  
Meanwhile in the city, life's always around**

**Coffee shops bustling, people on the go  
Subway trains rushing to and fro  
Graffiti art adorns the alleyways with pride  
Meanwhile in the city, there's no place to hide**

**Business suits and high heels on every street  
Diversity and culture make the city complete  
From uptown to downtown, a melting pot of dreams  
Meanwhile in the city, nothing's quite as it seems**
