

TH3 AY3S - BackpackOrder

**In the morning light, I pack my bag so tight
Books and pens in order, ready for the day's delight
Backpack on my shoulder, feeling oh so right
With everything in place, I'm set to take flight**

**Lunchbox nestled in, with snacks galore
Water bottle filled up, ready to explore
Backpack order intact, nothing more to store
I'm off on an adventure, ready to soar**

**Homework neatly stashed away, no time to delay
Folders and notebooks organized without dismay
Backpack order reigns supreme as I make my way
Prepared for whatever comes my way today**
