TH3 AY3S - LEV33L33

In the digital world, we're on a quest
LEV33L33, put us to the test
Codes and algorithms, we'll never rest
Unlocking secrets, we are the best

Through circuits and wires, we navigate
LEV33L33, our fate we create
In this virtual realm, there's no debate
We rise above, it's not too late

Embracing challenges with all our might
LEV33L33, shining bright in the night
With determination as our guiding light
We conquer obstacles in our sight
