

Blackened Blue - Fall Apart

{Verse One}

**Tell me what you're looking for
Is it a state of mind so full and pure?
Well I could offer you the perfect cure
You'll get your peace of mind forevermore**

{Pre-Chorus One}

**Don't let them get to you
I'll tell you what to do**

{Chorus}

**I'm holding onto what's left of my heart
I can't let myself fall apart**

{Verse Two}

**A stepping stone for us to take
Eternal enemies for you to make
Make a choice and you will see
The kind of pony you were meant to be**

{Pre-Chorus Two}

**You may think what you will
But you were born to kill!**

{Chorus}

**I'm holding onto what's left of my heart
I can't let myself fall apart**

{Instrumental Break/Guitar Solo}

{Chorus}

I'm holding onto what's left of my heart

And I can't let myself fall apart

{Outro}

I CAN'T LET MYSELF FALL APART!
