{Rodney Alcala Intro}

- What's your best time?**
- The best time is at night, night time!**

{Verse}

**Fuck a loop hole, this is fool's gold
This a drug balloon stuffed in a bold culo
Shouldn't even be rappin', I'm too old
Conjoined twin, heroin addicts, we too dope
Fuck rap, I rather watch shrooms grow
It's likely they'll might even unbuggin'? into tomb clothes
Smokin' sap out a Napa Noodle
This Dark Energy Judo, no fruit totes
This cats is pseudo, too slow (Too slow)
Soundin' wacker than Nutcracker from Group Home
I'm Big Lebowski in sandals and a MILF? owl?
Ill style, stored up in a house made of pill vials
Writings from my carpals tighten in a big melt
Syd held, trow? bitches in skin pelts
Move cribs when the stiff kick smells
This kids still dwĐµll in the sticks, peace to Twist L's
I'm stonĐµd as a witch trial
On the corner with a lemonade stand in Harlem sellin' piss vials
Bare takin' a dump in the woods, this shit's wild
Word up, yo, (yo)**

{Chorus}

**Wallpaper mÃ¸chÃ©, Mephistopheles x3
Stop with the funnies, follow me
Papier-mÃ¸chÃ©, Mephistopheles x2**

{Glengarry Glen Ross Outro}

**What the fuck are you, Mr. Slick? Who-What the fuck are you, friend of the
working man? Big deal! FUCK YOU, OH FUCK YOU! FUCK THE LOT OF YOU, FUCK Y
ALL!**
