

Christian Barry - Alone

Beatz by chriz

C major on this shit, yo!

**You don't have to make this shit so obvious, just tell me that i'll be alone
It's only a matter of time before i lose control so just tell me that i'll
be alone**

**I'm runnin' outta patience, outta pleasure, just tell me that i'll be alone
I don't need nobody, i don't need nothing to remind me that i'll be alone
That i will be alone**

**On this journey called life, to infinity and beyond
Sometimes it feels like a dream that i'm never wakin' up from
My own is against me and i'm not evĐµn that strong
Let 'em know 'bout my goals but they just couldn't givĐµ a fuck
Really can't just eat my own cake and have it
Need a lotta help cause my soul has been damaged
Feel like demons are livin' inside me like i've become a host
Feedin' on my soul
I be runnin' outta time
Real mood killers in my life
Blackish clouds fillin' my mind
It's got to the point that i can't think right
Lately i just love the nights
When i'm alone is when i cry
All i wanna know is why
Why the hell am i lonely with the people round me
You don't have to make this shit so obvious, just tell me that i'll be alone
It's only a matter of time before i lose control so just tell me that i'll
be alone
I'm runnin' outta patience, outta pleasure, just tell me that i'll be alone
I don't need nobody, i don't need nothing to remind me that i'll be alone**

That i will be alone

I've been fighting for me

It's a war against me

All the shit that i take

My head can't take no more

All the liquor bottles and papers

Daddy started questionin' my records

All the night cry, high pipe, pull me up on lockdown

Not really sober, don't know what i'm doing

Call me when it's over

I got appointments with a lotta doctors

Bipolar, hits me like a venom

Rollercoaster, my mood be going swing-swing

They counted but i think i just got me

Just got me like i want it

I got it and i don't know why i keep ghosting

Just keep on ghosting, yeah

You don't have to make this shit so obvious, just tell me that i'll be alone (tell me that i'll be alone)

It's only a matter of time before i lose control so just tell me that i'll be alone (tell me that i'll be alone)

I'm runnin' outta patience, outta pleasure, just tell me that i'll be alone (tell me that i'll be alone)

I don't need nobody, i don't need nothing to remind me that i'll be alone (tell me that i'll be alone)

That i will be alone

Just tell me that i'll be alone

Tell me that i'll be alone

Tell me that i'll be alone
