

Watchmesuffer - Bullet2theheart!

Critical shots to the heart

I just don't wanna restart

This damage rippin me apart

Ive been that way since the start

And i can't let go

Been wastin my time i just wanna be on my own

But i can't seem to fight it

This double cup givin me heart attacks

I got yo lil bitch i put her on blast

Don't dress up for nobodys fuckin dad

But u know i still have a lil bitta class

U know i still have a lil bitta class

Don't wanna be here now im runnin back

I love all my homies they love me back

I reload the gun yea i cock it back
